

## Golf Carts

Dear Handlers,

We are preparing to order golf carts so if you are interested in renting a cart for Finals week you will find information on the Finals web site to pay through Pay Pal.

### Info:

Both the open and nursery posts will be near the Strang ranch house. At the other end of the long driveway, parking/camping will be just to the right as you enter the property. The farthest campsite is around 1/2 mile away from the posts, so we are offering golf cart rentals for folks who want them. They are being hauled from Denver so that is why we are offering them as a pre-order for \$440/week (Monday - Sunday). We do have some 4 seater carts available, please call for the price. The last day to order a golf cart will be Sept 2.

We advise that you bring something to make your particular cart easily recognized and quick to find among the many other carts that will be scattered around the area. A simple form of decoration i.e.: a flag, ribbons, or crepe paper are a few easy ideas to

Thank you, Louanne Twa, for bringing the bling to Carbondale in 2014

make your cart stand out from the rest. Also we ask that at the week's end you please return the cart to the same area you picked it up and remove your decorations.

One of the handler day parking areas will be adjacent to the handler camping area. Handlers can come and go into this lot all day long. We are also offering parking up near the ranch house but a handler will have to be parked by 8 am and will not be able to leave that parking area until after the last dog has run for the day.

Traffic on the driveway will be highly restricted since the two trial fields are

on opposite sides of the driveway. There will be a parking pass in the handler welcome packet so you can use it accordingly. Personal quads, golf carts and bicycles are all welcome to travel the road!
